)	of Confirmed Plan
Debtor.)	
_____)	

Leland L. Bull, Jr., counsel for the Anderson Chapter 11 Estate, provides this explanation covering the second and final distribution of funds pursuant to the second paragraph of Section 3.4 of the confirmed Second Amended Liquidating Plan.

1. Section 3.4 (Treatment of Holders of Allowed General Unsecured Claims) states in its second paragraph that, in addition to the distribution from the proceeds of the assets of the estate provided for in the first paragraph of that section, Mr. Anderson would pay, from his exempt assets and post-confirmation earnings, to his creditors holding allowed general unsecured claims in the case the sum of \$1000 for each month following the month in which the Plan was confirmed (up to 12months) he remained an officer, director and shareholder of the Anderson-Magruder Co. Although he remains under treatment for cancer, Mr. Anderson continued, with some difficulty, in the employment of the company from May (the Plan was confirmed by the Court in April 2008) through the end of April 2009. Therefore, having completed a full year of his employment post-confirmation, the remaining balance of \$3000 promised under said paragraph 3.4 of the Plan is due

1 to his creditors, \$9000 having been earlier distributed under cover a letter to creditors dated January
2 23, 2009..

3 2. The distribution representing the amount due to each holder of an allowed general
4 unsecured claim for the final three of Mr. Anderson's continued employment is enclosed with each
5 creditor's copy of this explanatory statement, which will also be filed with the Court. The percentage
6 amount which each of the 7 holders of allowed general unsecured claims is calculated at 0.4486%
7 (\$3000 divided by \$668,741.78 of allowed general unsecured claims).

8 3. The distributions presently made are as follows:

9	Claim	Claimant	Amount
10	--	Bank of America	67.25
11	2	eCast Settlement Corp.	84.41
12	3	eCast Settlement Corp.	66.43
13	5	Williams Kastner & Gibbs	209.87
14	8	Cree Construction Co.	631.69
15	9	Viking Bank	42.17
16	11	Keller Supply	1898.18

17 4. With this payment, Mr. Anderson has fully performed his duties under his plan, which
18 was confirmed by order entered

19 Dated: January 23, 2009.
